PETITION PRESENTED TO COUNCIL CONCERNING BOAT RAMPS

A new boat ramp near Apex Park and improvements to the existing ramp at Cresser Reserve have been requested by 144 people who signed a petition presented last week to Altona Council.

However, there is no provision in the current Estimates for construction of a new boat ramp and it appears proposed work on the existing one has been delayed by the Public Works Department.

After considering the petition the Council decided to invite the men who organised the petition, Messrs. E. Houston and J. Cook, and other petitioners to meet them on the beach last Sunday morning to discuss the problems.

It also was agreed that the Public Works Department should be asked when the channel to the Cresser Reserve ramp will be constructed.

The petition read:—

"Mr. J. Cook and I (Mr. E. Houston) would like to thank Altona City Council for the interest shown to our request concerning the boat launching ramp at Cresser Reserve, and of the possibility of having another one constructed at West Altona.

"Enclosed you will see that we have found well over 100 people to sign a petition to have another ramp, approximately 2 to 1 from Altona residents. Many of those approached said that facilities on this side of Port Phillip Bay were atrocious, and a fair proportion lamented that unless the tides were ideal they had to go to Werribee to be sure of getting their boat into the water.

"Quite a few suggested that something would have to be done soon, as the numbers using the present ramp were increasing all the time, while the time available for getting in and out at Cresser Reserve was diminishing due to the continual silting up.

Another sore point is the fact that some professional fishermen are allegedly depositing clam shells and other waste in the area. We realise that it would be impossible to police the place but suggest that a notice could be displayed to discourage it. At low tide the drain on the west side of the ramp runs straight down to the hole at the base of the ramp and the smell is repugnant and no doubt is a health hazard.

"I respectfully suggest that Councillors, busy as I know they are, should make a short visit to the site when the tide is low to see for themselves just what we citizens have to contend with.

One of the more serious problems occurred last week when several boats had to weigh anchor and make for shore when the weather suddenly turned bad as it so often does on the bay, only to find they had to wait up to 3½ hours to get out of the water.

"I believe some of them made a run for Williamstown. We sincerely hope that something constructive can be done to alleviate the situation in the near future."

The petition was signed by 105 Altona residents and 39 from other areas.

Commenting, Cr. Les Crofts said he agreed with some of the remarks. But, he added, little can be done about a new ramp as an application to the Tourist Development Authority for a grant for the work takes time.

The Authority makes subsidies available on a $3 to $1 basis. And an amount has not been set aside in finances for this year for the Council's share of the cost.

City Engineer, Mr. R. C. Simmons, warned that a ramp at Apex Park will result in the same difficulties as encountered at the other.

He said this site was previously considered and rejected.

He revealed that the Public Works Department had called tenders for construction of a channel to the present ramp but did not go ahead with the project.

Fancy Dress Parade at Ronald Avenue Kinder.

Children dressed in a variety of costumes gather in front of His Worship the Mayor of Altona, Cr. Pat Burns, at the fancy dress parade held earlier this month at the Ronald Avenue Kindergarten.

Seated in the background to the right of Cr. Burns is his wife, the Mayoress.

Judges were the Council's Home Help Supervisor, Mrs. Lorna Carruthers, the director of the Brooklyn Kindergarten, Miss Sullivan, and the director of the Blackshaws Road Kindergarten, Mrs. Finn.

They had a difficult task in choosing these winners —

Pre-kindergarten children's section, Jennifer Wellington as Mopsy and Wayne Stevenson as black and white minstrel.

Kindergarten section, Bruce Wellington as Mr. Biggs, Annette Starkey as My Fair Lady and Michell Stevenson, Roaring Twenties.

School children's section, James Carlon, Spanish Troubador and Sharon Stevenson, Chinese Mandarin.

Best group, Girls of St. Trinians, Jenine Hare, Kathy Hare and Carol Hare. Best pair, Lynn Potter and Elizabeth Said as Spanish couple.

C.R.B. Adopts "Grieve Parade"

The Country Roads Board has agreed to the name of "Grieve Parade" for the road running north-south between Princes Highway and Queen Street, Altona.

It was called "Grieve Highway." But the Board asked for the word "Highway" to be changed to keep it reserved for state highways.

The Board will include the new name in the signs to be erected in the vicinity of the Lower Yarra Freeway.

TRUGANINA RESERVE

A project for the development of the Truganina Reserve by A. V. Jennings Industries Ltd. is to be placed before Altona councillors at the next meeting of the General Purposes Committee.

The area known as the Explosives Reserve is to be developed for housing but as yet no decision has been made on who will undertake the work and how it will be financed.

No Plans for Westona

Once again Altona Council has been advised that funds are not available for the proposed extension to Westona.

The extension was authorised in 1965 but sufficient funds for the work have not been available since this time.

Points recently raised by Altona Council have been noted by the Minister of Transport, Mr. V. F. Wilcox, advises the secretary of the Premier's Department. But still no money.

"This is a poor excuse," said Cr. Pat Lynch, last night.

It is nearly 1970 and five years since the extension was approved.

Altona West is going ahead with "leaps and bounds" and next year will develop further, said Cr. Lynch.

He moved that Council write to the Minister requesting him to seriously consider placing the money required for the Westona Extension on the next estimates.

In seconding the motion, Cr. Harry Weaver asked that it should also be pointed out to the Minister that Council provided money for this project and now the scheme lies dormant.

Mr. Larry Floyd, Member for Williamstown, will also be advised of this latest advice from the Minister and he will be requested to use pressure to obtain action for the Council.

KEEP OFF THE GRASS

Horse riders are again making themselves nuisances on the Esplanade, Altona.

The extensive efforts of the Altona Council to beautify the eastern foreshore are being hampered by these irresponsible young people.

For certain reasons, nature strips and the like are their stamping ground.

To preserve the new grass on the beach side of the road, council employees put up iron barriers. These were to prevent the use of this area as a thoroughfare for horses.

However, by going round the obstacles the riders continue on their way with little interruption.

Altona Meadows Name Opposed

Opposition to the proposed district name of Altona Meadows has been expressed by the Place Names Committee.

The idea previously suggested by Cr. Harry Weaver and agreed to by Altona Council was that a section of the Laverton Estate within Altona's boundaries be given this distinctive name.

However, when the letter from the Place Names Committee was tabled at last weeks meeting of council there was some variation of views among councillors.

Finally it was decided to refer the matter back to the General Purposes Committee for further discussion.

The letter read—

"I refer to your letter of 23rd June, concerning the above proposed name (Altona Meadows). The Melbourne and Metropolitan Board of Works and the Postmaster-General's Department have both objected to this proposal.

"The Board of Works points out that this area is part of a larger area, mostly underdeveloped, and suggests that a name more appropriate to the whole area be chosen. They also say that they do not favour the use of plural names. The Postmaster-General's Department says that difficulty could arise in mail delivery as this area is part of the Laverton postal district and therefore confusion could arise if a separate name was given it.

"For the above reasons, I am directed to request council to submit an alternative name for this area, and also to supply the committee with a map of your city, showing boundaries and names of existing and proposed areas in the municipality."

Cr. Weaver expressed strong disagreement with the request for an alternative name.

He said he was disappointed and alarmed.

The name Altona Meadows was suggested by him and agreed to after two council meetings and a meeting of the General Purposes Committee.

He said he arrived at the name after 18 months thought and he considers the name has been accepted by the public.

Cr. Weaver moved that a small deputation protest vigorously and secondly that the Town Clerk provide a map of the whole area for discussion at the next meeting of the General Purposes Committee.

The motion was seconded by Cr. Ian Stewart.

Cr. Pat Lynch said he wished to see the complete area defined and called one name. He said Altona Meadows has his approval, but he wants the one specific name which would be of more advantage to trades people, P.M.G., etc.

The motion is being opposed by Cr. Lynch, said Cr. Weaver, who added that he had called one definite section Altona Meadows.

Cr. Ray Richards announced he opposed Cr. Weaver's motion.

He said there are enough small estates in Altona and added that the Board of Works drain cuts across the city and leaves a large Altona West area.

The whole area west of the drain should be one name, said Cr. Lynch. Name the whole area Altona Meadows or some other name, but the same one for the whole area.

Cr. Les Crofts said Cr. Weaver's motion had two sections and he suggested both parts be presented separately.

But Cr. Lynch moved an amendment that the whole question be referred back to the General Purposes Committee.

He said the matter can be discussed thoroughly and if the meeting agrees to a protest, then a protest can be arranged.

Cr. Richards seconded the amendment.

This was opposed by Cr. Weaver who considered his original motion clarified the position.

The amendment was put to the vote, five voted for it, three against.

The amendment became the motion and was carried.

The whole question was referred back to the General Purposes Committee.

OWNERS WANTED

Altona Police have a boy's 2 wheel cycle, red, at the Station.

The owner can collect it from there.

EDITORIAL

A LEADING QUESTION

Do the people of Altona want Door Knock Appeals in Altona? That question by Cr. Pat Lynch is a basic and simple question capable of receiving a ready answer.

But other questions could be asked that are equally pertinent but which call for deeper consideration.

For instance—

Do you believe that Altona people should make a reasonable contribution to national charities?

If you oppose Door Knocks can you suggest anything in their place?

Are you in favour of a Community Chest?

Would you agree that Altona's lack of contribution to Door Knock Appeals be made up by a corresponding addition to the Council Charity grant?

There is one question that need not be asked.

Are Altona people kind and compassionate, ready at all times to help those whom they know to be in need? The yes answer has been given by deeds not words.

Sooner or later and better sooner the community of Altona must decide on its attitude to Door Knocks. In them there may be objectionable features but they do draw attention to the needs of the larger community which must not be left only for other people to assist.

FREE FILM SHOW ON BEES

A technicolor film showing the inside workings of a beehive will be shown at a free film night in the Salvation Army Hall, Queen Street, Altona, on Tuesday, November 25, at 8 p.m.

The film, on loan from the Australian Honey Board, should prove interesting to children preparing projects.

A camera was placed inside a beehive to actually *record the bees in action.*

Also to be shown are two two other films including a Walt Disney. Admission is free to all.

Orientation Day at Altona High

Grade 6 pupils who will be attending Altona High School in 1970 must attend the school at 9 a.m., on Thursday, December 4, 1969, to receive instructions for the start of school next year.

Pupils should be dismissed between 10.30 a.m. and 11 a.m. after a tour of inspection of the High School.

On the same day the parents of pupils who will be starting at Altona High School in Form 1 in 1970 are asked to attend an important meeting at the school at 7.30 p.m.

AVIATION AND ALTONA

The Altona Historical Society has associated with Altona City Council to commemorate Altona's place in aviation in Australia.

His Worship the Mayor of the City of Altona, Cr. P. A. Burns, J.P., will unveil a Plaque in Pier Street, just south of the Station at about 3 p.m. on Saturday December 6, 1969.

Back in the year 1910 the first 'planes were flown in Australia. Most of these flights could be termed 'Hops and Crashes' but if the wind was right the pilot managed to make a convincing show.

Then Mr. Hammond came to Australia to show what his 'plane could do.

His first flight was near Perth but he was not made to feel welcome there so he brought his plane to Altona and assembeld it here.

A lad in Malvern heard the news of Mr. J. J. Hammond's flights and he climbed aboard his bicycle and peddalled all the way from Malvern to Williamstown and then around the coast line to Altona.

He saw Mr. Hammond go aloft and his interest in aeroplanes continued until later when he learned to fly a similar type of 'plane to what Mr. Hammond had demonstrated.

He flew many 'planes and added his photographic knowledge and became an aerial photographer.

He still uses his photographic knowledge but is too old to fly aeroplanes, so he has taken to water-colour painting instead.

When he heard that the Historical Society wished to commemorate the achievements made in Altona he asked them if he could paint a picture which they could hang in their museum. They readily agreed.

After the unveiling of the plaque, the people will be asked to adjourn to 128 Queen St., where Mr. Harry R. Rigby will hand his water-colour painting to the Mayor, Cr. P. A. Burns, who will accept it on behalf of the Altona Historical Society.

The Museum will then be open for inspection after which afternoon tea will be served in the room of the Altona Music Society which is also in the 'Homestead'.

Laverton Pupil Wins Scholarship

A valuable scholarship worth $4,000 has been won by *eleven year old* Michael Patrick Dillon, son of Mr. and Mrs. Tom Dillon, of Laverton, and a pupil of St. Mary's, Altona.

More than 100 boys from all over Australia sat for the examination for this Austin Scholarship given by Assumption College, Kilmore.

It provides free tuition and board for the six years of secondary education.

Another Laverton boy, Christopher Gates, finished in the first twelve and received a high distinction mark. He, also, is a pupil at St. Mary's.

VALE - GEORGE HENRY RANSOM

The death occurred at the Repatriation Hospital on 12th of November, 1969, of George Henry Ransom a former Councillor of the *Shire of Altona.*

Mr. Ransom was the second elected Altona Shire Councillor and was the first President of the Shire. Mr. Ransom was elected Shire President at the meeting on 11th June, 1957, and held that Office until the following August elections. His three year term as a Councillor expired in August 1959.

Incidentally, Mr. George Ransom had previous experience in that, along with former Cr. Reginald Logan and the former Councillor *the late Henry Charles Kim,* was a Councillor of the Shire of Werribee for Altona Riding.

A returned soldier, Mr. Ransom was a T.P.I., and his state of health for the last few years had caused much anxiety.

The flag at the Civic Offices was taken to half mast when the news was received and remained at half mast until after the funeral.

TRIPLE WIN FOR ALTONA CYCLIST

Young Tony Williams of Altona scored a treble last Saturday riding in the Footscray Amateur Cycling Club races on Hansen Reserve.

He won the "B" Grade Juvenile Scratch rate, the final of the half mile sprint and a heat of the half mile Juvenile Scratch race, but in the final finished third.

Another young local cyclist, Robin Croker, won a double on Saturday night at the Velodrome.

Here Jim Williamson had a *fall and his fellow riders* from Footscray club wish him a speedy recovery.

Results of races on Hansens Reserve were—

One mile Senior and Junior Handicap — 1st, R. Goodgor (off 365 yards); 2nd, N. Provis (40); 3rd, T. McEwan (95), Altona.

$110 FROM STREET STALL

A total of $110 was raised by the Altona Spastic Aid Committee at a Pier St. stall on Saturday.

Hand-made toys, plants, fancy goods and Christmas decorations were on sale.

Committee members are appreciative of the continued support given them and sincerely thank all who made goods and those who bought items from the stall.

Unfortunately the concert organised for last Friday night was cancelled because of the power strike.

Arrangements have now been made for it to be held in the Methodist Church Hall

Tickets for the cancelled concert will be valid for December 5.

Weightlifting Champion

Pictured is Nicolo Ciancio from Chambers Road, Altona North, who recently won the Australian light heavyweight weight-lifting title.

Last Sunday he beat George Tripass on "World of Sport."

Nicolo has just returned from competing in the World Championships in Poland and on his present form, looks like soon becoming world champion.

AMERICAN PEN-FRIENDS

Do you want an American pen friend?

An advertisement for a penfriend inserted in a comic published in America has brought a wonderful response for Altona High student Marion Hatfield, of 45 Galvin St., Altona.

But Marion cannot cope with replying to the 45 letters already sent to her and more could be received.

Not wanting to disappoint the writers who all are hoping to establish a pen friendship with an Australian, Marion is inviting other young people interested in writing to an American to contact her at home after school hours.

Both boys and girls have written and they are in the 12 to 16 years age group.

C.W.A. SOCIAL DAY

The Altona branch of the Country Womens Association will hold a social day on Monday, November 24, at the home of Mrs. E. Heyme, 79 Civic Pde., Altona.

Would members please bring along goods for the club fair to be held on Friday, December 5, at 3 Lansell Rd., Toorak.

New office-bearers elected at the annual meeting are—President: Mrs. F. Heyme, 2 Seaview Cres., Seaholme: Treasurer: Mrs. M. Woodyard, 42 Mount St., Altona; Secretary: Mrs. F. McDonald, 4 Blyth St., Altona.

Approaching Marriage

The marriage of Jeanette Mary, younger daughter of Mr. and Mrs. Harry Jeavons, of 49 Queen Street, Altona, with Geoffrey Campbell, younger son of Mr. and Mrs. Jim Douglas, of Ferntree Gully (late of Altona) will be celebrated at the Gospel Mission, Electra Street, Williamstown, on Saturday, November 22, at 11 a.m.

ALTONA CAMERA CLUB

The audio visual produced by Kevin Hart had its first screening at the Altona Camera Club. It was very well received and he must be commended on a job well done.

The November competition theme is "Open" and all entries must be numbered and spotted and ready to be handed to the print steward this Friday, November 21.

Also on the syllabus is a talk on printing by Jack Simpson.

The Altona Camera Club meets each Friday at 7.30 p.m. in the Homestead, 128 Queen Street. Ring 398-1937 for any inquiries.

Beetle Night to Aid Westona L.A.A.

A Christmas Beetle Night to aid club funds for the Westona Little Athletics Club will be held on Friday, November 21, at 27 Chifley Ave., Altona, commencing at 8 p.m.

Ladies attending are requested to bring a wrapped gift to the value of 30c, no more or less. Admission is 30c. Door prize 15c. All friends and supporters are welcome.

WALKATHON

Westona athletes and their friends are asked to hand in any money still in their keeping, they have received from sponsors. This will then be handed to the Altona Centre treasurer. To date the total handed to the Centre from Westona L.A.C. is $248 and some money is known to be, as yet, not handed in.

WESTONA COMMITTEE

The next meeting will be held at 4 Spear Court, Altona on Thursday, November 20, at 8 p.m.

ALTONA HIGH FETE REPORT

The Altona High School Fete Committee continues to hold regular meetings for the Fete that will be held in April 1970 and already many plans have been finalised.

The Walkathon that was to have been held on December 13 has been postponed to March 1970, this is to enable the senior students and the staff to be more actively involved. December 13 was not a suitable date for these persons with examinations so close.

On December 5 a supper dance will be held at the Civic Hall. This is to be in the form of a wind-up night for the year. It is hoped that many of the staff will be in attendance. A liquor licence will be obtained, music will be recorded and patrons are asked to bring their basket supper with them.

Tickets which cost $1 per person, are limited, and may be obtained from Mrs. R. Tyrell (398-2774), or Mr. W. Haining (398-2353). Of the 900 parents connected with the school only 140 will be able to purchase tickets, so hurry and make a reservation.

Successful Street Stall

The Local Association of Guides and Brownies raised $61 at a recent street stall.

The Association appreciates the support given by parents and the general public and thanks go to all who helped in any way to make this effort such a success.

Next meeting of this group will be on Thursday, November 20, at 7.45 p.m., in the Guide Hall, Civic Parade, Altona.

All interested parents will be made welcome.

ALTONA SQUARE DANCE CLUB

Once again a bright and breezy night was enjoyed last week, and hearty congratulations must go to Altona's Fred Armitage for his fine effort in winning first prize at Ron White's Fancy Dress Night.

Fred made a very handsome and lovable Hippy.

Anne Jones, who had had her leg in plaster after a skiing accident, is now back to normal and is looking forward to dancing again very soon.

All amateur callers who have been practising frantically for a few weeks, will have their big chance this Thursday, November 20. It promises to be lots of fun, do join in.

The Altona Square Dance is held each Thursday night in the Youth Club Hall, Civic Pde. Dancing is from 8 till 11.15 p.m. Ring 398-2708 for inquiries.

L.A. Annual Meeting

The annual meeting of the Laverton Girl Guides and Brownies Local Association will be held in the home of Mrs. Green (District Commissioner), 58 Maher Road, Laverton, on Friday, November 28, at 8 p.m. Parents are invited to attend. L.A. ladies will provide supper.

SCOUT GROUP LADIES MEETING

The 4th Altona Scout Group Ladies Auxiliary will hold their final meeting of the year on Thursday evening, November 20, at 8 p.m., at the home of Mrs. K. Stevens, 19 Maidstone St., Altona.

Pricing of goods for sale at the street stall to be held in Pier St. next Saturday, November 22, will take place at this meeting. All ladies interested in the Group are cordially welcome to attend.

Granddaughter

Mr. and Mrs. Knight, of 44 Railway Street, Altona, happily announce the arrival of granddaughter, Vicki Leigh, to Gail and Harvey on November 12 at St. Vincent's Hospital. A baby sister for Bradley.

RESULT OF CAR RAFFLE

Mr. J. Newell won the Holden Kingswood car raffle on November 1.

The raffle was conducted by the Trade Union Clinic and Research Center.

The winning ticket was drawn by Mrs. E. Allen, the Mayoress of Footscray.

Mr. Newell lives at 9 Blackburn St., Surrey Hills, and is employed at Yooralla Hospital in Balwyn. He bought his ticket from a member of the Hospital Employees Federation.

Mr. Newell said his own car had just about had it.

KINDERGARTEN MEETING

The Altona West Kindergarten Committee will hold their next meeting tonight, Wednesday, November 19, at 7.30 p.m. at the Kindergarten in Somers Parade.

The meeting will be followed at 8 p.m. by a demonstration of Kandyware.

All mothers are invited to attend.

Altona North State School Fete

"Bimbo" the clown, House of Mystery, hay rides and lucky dips will be among the variety of amusements for adults and children at the annual fete organised by the Mothers' Club of the Altona North State School.

All types of stalls will be in action with plenty of eats and drinks. Everybody welcome.

Val's Column

Hello Girls,

The look for summer is Natural. Face up to it. Fresh, clean, the little or no make-up look.

Turn your face to Revlon, Moon Drops Demi Makeup.

The colours are there. But oh, so soft, so sheer!

Perfect for summer, that tanning complexion. That colour change can leave your makeup shouting. Demi doesn't.

Firstly, to avoid dryness, smooth on Moon Drops under make up moisturiser.

Now, choose your colour. Demi Ivory, Peach, Beige, Rachel — after summer warmth — think of Rosebeige, Tan or Bronze. A Flowing Creme Dust over with matching loose powder, pressed powder, or have you tried Translucent powder. A thought for all the tanning ones.

Give those cheeks, that forehead, nose tip, a boost.

Demi have three delicate, perfumed blushing powders. Beautiful eye makeup, lipsticks to fill in the picture.

Have a beautiful summer.

Oh! Those tired aching legs. Exercise them correctly. Wear comfortable sandals. Choose Scholls medically and orthopaedically approved shape. Take a leg exercise pamphlet while you are choosing your size at our Scholls bar.

Bye.

TEACHERS COLLEGE IN WESTERN SUBURBS

Only a non committal reply was given by the Minister of Education (the Hon. L. H. S. Thompson, M.L.C.) to a query from the Hon. A. W. Knight, M.L.C., concerning the need for a Western Suburbs Teachers College.

The letter is published by courtesy of Mr. Knight.

Dear Mr. Knight,

I acknowledge your representations on behalf of a number of School Committees in the Western Suburbs of Melbourne requesting the establishment of a Primary Teachers' College in the Western Suburbs.

I would like to assure you that, in its planning for teachers' colleges, the interests and welfare of the western divisions of the metropolitan area are being kept in mind. It should be noted that, until recent years, the recruits from the western suburbs have not been a significant proportion of the annual intake into teachers' colleges. It appears that a change may be taking place.

You will understand that a number of students have to live away from home while they train as teachers. As far as I know no students from the western suburbs have been allocated to provincial colleges; on occasions it certainly has been necessary to request students from eastern suburbs to undertake their courses in provincial colleges.

We shall try to avoid the problems that give the School Committees concern, but, inevitably, the allocation of new students is determined by the number of places available at each college.

Your sincerely.,
L. H. S. THOMPSON
Minister of Education.

LETTER TO THE EDITOR

DR. CAIRNS' VIEWS ON TRUGANINA ESTATE

I understand that A. V. Jennings Industries wants to take over development of the Truganina Housing Estate, and the Town Clerk of Altona, Mr. J. W. Waters, has announced that "representatives of the complex put a proposal to Altona Council last Thursday night."

The Altona Council has so far resisted handing over the Truganina Estate wholly or substantially to private developers. I hope the Council will continue to do so.

The Truganina Estate was owned by the State Government, but arrangements were made, I understand, to allow the Altona Council to buy or take over the land and make it available to home builders. The purpose of this arrangement was to prevent anyone from getting hold of all the land in such a way as to be able to maximize their profits out of the transaction, or so that there could be a selling or re-selling of blocks or houses at ever-escalating prices.

I am sure that home building and "land development" in recent years has been too much alone in the hands of *private maximizers or speculators*. A little real competition would help to keep the prices down. The most effective competition can come from public authorities like the Altona Council, the State Government, or the Commonwealth Government, and preferably acting together. No-where in Melbourne is there more need for this than in the area west of Geelong Road, which will be brought within 15 minutes of the centre of Melbourne by the great new bridge being built over the Yarra.

If Altona Council does not ensure their public responsibility is fully exerted throughout the development of the Truganina Estate, it will be doing nothing more than exposing hundreds of individuals to the powers of *a private monopoly. There is* much need and opportunity for "complexes" like A. V. Jennings Industries, but as part of an operation in which public power and responsibility can be properly exercised at every point.

The pendulum has swung in recent years far too much in favour of big money makers and too much against the small man and his family. Development of the Truganina Estate must not be allowed to become another example of this.

Collectors To Swap Gem Stones

A "Swap and Sell" session will be the form of the next meeting of the Western Suburbs Lapidary Club on Thursday, November 20.

And the final meeting of the year will be a Christmas Party held on December 12 in the Brooklyn Community Hall.

Last month members again relived the Easter Gemboree at Beechworth. A colored film of the camping area scenes and the concert staged by this club was amusingly watched by members.

On this night Mr. S. Sutton, of Sunshine, was the lucky winner of a lamp with base decorated with gemstones donated by Mrs. R. Tuckett, of Altona.

Are Door Knocks Wanted?

The people of Altona should decide whether or not they want Door Knocks.

This view was advocated by Cr. Pat Lynch when an application for a Door Knock Appeal for Austcare was under consideration last week by Altona Council.

May 24, 1970, Humanity Sunday, is the date of the proposed Door Knock. The national appeal for Austcare hopes to raise $1 million, said Cr. Lynch.

He commented that Door Knocks are an evergreen problem — Austcare, Cancer, etc,. all of which are worthy causes.

Council policy has been to not allow them, said Cr. Lynch.

He continued, "Soon people will have to say whether they want them or not. Past Councils have protected the people from door knocks. But I believe people have not said straight out that they do not want them.

When election time comes around again, the people should be asked to vote on whether the community should have door knocks or not."

Cr. Lynch moved the motion that the State Director of Austcare be invited to a meeting of the General Purposes Committee.

It was seconded by Cr. Doug Grant and agreed to by Council.

Dance to be Held at Altona R.S.L.

Altona R.S.L. Memorial Club are holding a dance on December 6.

They have an excellent band and light supper and refreshments will be available. Tickets are $5 double. Bookings must be made by contacting secretary or committee.

The cricket match for the Alcor Shield between Altona R.S.L. and Corporals Club will be played at Laverton Football Ground at 11 a.m. on November 30.

ENGAGEMENT

FORTUNE—EVANS

Mr. and Mrs. W. Fortune of 109 Railway Street, Altona are happy to announce the engagement of their only daughter, Dianne Wendy, to Raymond John, younger son of Mr. and Mrs. H. Evans, Healy Street, Moorabbin.

The engagement was celebrated at a party given by Mr. and Mrs. Fortune at their home last Sunday.

Apex Garden Competition

A garden competition which could be of interest to every resident of Altona is being organized by the Apex Club of Altona.

At the same time this will develop civic pride and be a fund raising effort to benefit the Altona District Hospital.

It is proposed to offer awards for —

Domestic — Most colourful garden; Best landscaped garden.

Industrial — Most attractive factory grounds.

Also suggested has been an award for the best group of gardens.

There will be a small joining fee.

Before the Council last week was a letter from Apex asking that the Mayor of Altona, Cr. Pat Burns, be patron of the competition, *and also seeking Council* sponsorship of the activity.

It became clear that Cr. Burns, by his interest in such a civic beautification idea had been a leading inspiration to Apex in its plan.

As Cr. Ray Richards said the last paragraph in the letter is in line with Cr. Burns thoughts.

It reads: "Should Council see fit to support the competition as a sponsor, it is suggested that a special award, to be known as the Mayoral prize be awarded to the best group of ten adjoining gardens."

The motion by Cr. Pat Lynch that the letter be noted also carried in effect the Council blessing of the project.

HOLE IN RESERVE BREEDING GROUND FOR SNAKES

A large hole in McIntosh Reserve is a breeding ground for snakes say twenty-three people living in the vicinity who petitioned Altona Council for improvements to the reserve.

Snakes have killed several animals and parents are concerned for the safety of their children attending the kindergarten sited on the reserve and for the youngsters who play on the parkland.

This reserve is rather narrow and irregular in shape.

At the suggestion of the City Engineer, Mr. Ralph Simmons, the Council has agreed that soil should be spread to improve the surface of the ground so that long grass can be mown.

The petition read:—

"We the undersigned ratepayers, wish to draw to your attention the need for the completion of work on the above reserve. There is a large hole that badly needs filling, because it is a breeding ground for snakes, *several of which were killed* last summer in the area of this Reserve.

"There is a Kindergarten on the Reserve, and as we have lost several animals due to snakes, we are deeply concerned for the safety of the children who attend the Kindergarten. also the many who play on this reserve.

"As this reserve is named after the late Cr. McIntosh we feel that this is a very poor memorial to an eminent man who had done so much for the City of Altona. We would appreciate if something could be done in the near future."

Council Liable for Damage To Private Property Which Adjoins Reserves

Altona Council is apparently liable for damage to private property adjoining reserves when it is caused by authorised users of the area. Also responsible for damage caused by its members are organisations using reserves with the authority of the Council.

Some time ago Council had complaints from residents next to Ginifer Reserve. Apparently soccer balls were accidentally going over back fences and damaging trees and gardens.

Council referred questions on the matter to the Municipal Association.

This reply has been received:—

"The Municipal Association forwards an Opinion by its legal advisers Messrs. Maddock, Lonie and Chisholm dated 29th October, 1969, in reply to specific questions posed by the Council some time ago concerning the liability for damage to private property adjoining an open space reserve by reason of authorised use of the reserve causing damage or persons unknown causing damage.

"To sum up, the Council is liable for damage to private property adjoining Council reserves by reason of authorised uses of the reserve, or persons unknown causing damage to adjoining property.

"An organisation which has been authorised by a Council to use a reserve will also be responsible in respect of its own members, but not in respect of visiting members of a competitor club, spectators who pay no entry fee to the Club.

The Council should take all adequate and reasonable steps to prevent balls going over the fence into private property."

Town Clerk, Mr. Jim Waters, added these comments at last week's meeting of Council:—

"The matter is being discussed with the Council's Insurers regarding extension of public risk insurance, but in view of condition 4 of the standard public risk policy, it appears little can be done by the way of insurance.

"In the light of the recent court decision regarding the Frankston Golf Course case, it appears that the Council is responsible and should take adequate steps to protect the public by policing By-laws which could control ball games and to protect public and buildings and by erection of substantial barricades or fences. (Advice by Council's Insurers is awaited.)"

Cr. Ian Stewart Pleased With Attendances

The attendance of four ratepayers, their wives and families at the appeal by Slough Estates against Council's decision to not allow access from Morrow Street to the Estate was very pleasing to him, said Cr. Ian Stewart at last week's meeting of Council.

He said it is heartening to get "back up" support for the work involved in this matter.

Mr. Tony Robinson, of Galvin Street, and the others, had prepared a petition to Council on the matter, followed it through and then on a working day attended the Tribunal hearing, said Cr. Stewart.

The result of the hearing has not been announced.

PIPELINE TO ALTONA ?

The City of Brighton Council is opposing the construction of the proposed oil pipeline from Western Port Bay over land to Port Phillip Bay and then then under the water to Altona.

The support of Altona Council has been requested.

But Altona has deferred a decision until further information which was to have been sent with Brighton's letter but was omitted has been received.

In the meantime Altona has asked if a Brighton Councillor could attend and discuss the matter at a meeting of the General Purposes Committee.

Management Seminar

Councillors have been invited to the Management Seminar of the Victorian Division of the Institute of Municipal Administration on November 20 at the Mobil Centre in South Melbourne.

Town Clerk, Mr. Jim Waters, is president of the Victorian Division.

There will be four speakers at the seminar — a Senior Lecturer from the Western Australian Institute of Technology, the Executive Secretary of the Australian Institue of Management, and Mr. Angus Jones, Director of Mobil Limited and Mr. Jack Foskett, Personnel Manager of Taubmans Limited, a resident of Altona and local Apexian.

MMBW Concerned At Lack Of Response From Residents

Again the Board of Works has complained that not enough people in the southern section of Altona are connecting to the new sewerage reticulation system.

The sewer is available to nearly 400 properties and soon will be available to another 400 but only 74 have actually connected.

Altona's Commissioner on the Board of Works, Cr. Harry Weaver, said the Board is concerned at the lack of response from residents.

He pointed out many are paying double rates — a pan fee to the Council and a sewerage fee to the Board.

Altona has a By-law which makes it compulsory for property owners to connect to the sewer within six months of the area being declared a sewered area.

Cr. Weaver concluded by commenting that he would not like to see Altona residents fined.

Concrete Cricket Pitch For Rush Reserve

A concrete cricket pitch is to be laid on Rush Reserve instead of one of stone dust as previously decided by Altona Council.

The Altona Cricket Club pointed out that stone dust would be too dangerous for the young under 14 players who would be using the pitch.

The club suggested that if the Council could provide one of concrete and some malthoid sheeting, then the club will arrange for personnel to lay the sheeting — club members consider themselves expert in this matter as practice pitches have been laid on the new reserves and these are standing up satisfactorily.

Cr. Grant said when it was decided that stone dust be used councillors thought the club would use matting but they have since learnt that the club does not have any.

North Road To Become A Main Road ?

North Road, at present running from Maidstone Street westerly across the paddocks to Laverton could become a main road, probably connecting with Civic Parade believes Cr. Les Crofts.

With this in mind he has raised doubts as to the suitability of land the Education Department wishes to acquire in the Altona Meadows area.

On one side of North Road could be a reserve while near the other side could be schools.

He suggested this may mean children frequently crossing a busy main road thus necessitating the construction of an overpass or underpass.

Council is taking a second look at plans for the area.

The Educated Man

(From IPA FACTS)

Some people seem to think that the purpose of education is the acquisition of information and facts. If this is so, then the "quiz kings" are the best educated people in the community.

Others would say that the mastery of a specialised field of knowledge, say engineering or medicine or economics, is the mark of the educated person.

It is, of course, desirable that people should enlarge their storehouse of information. It is also necessary that many in the community should master the skills and techniques of the various professions.

Education, however, aims at something more than information or even professional qualifications.

A major purpose is to encourage and to teach people to think for themselves. The mind is an instrument which becomes sharpened by constant use. Like the body it is strengthened, and its power to solve problems increased, by regular exercise.

But, in the deepest sense, education goes even further than the expansion of knowledge and the strengthening of the intellect. It aims at the development of broad understanding, tolerance and humane sympathy, the ability to distinguish between the first and second rate, the true and the false.

The truly educated person is one who has become liberated from the slavery of dogmatism. He retains an open, questioning mind on all things. He does not claim to have all the answers. The more he knows, the more he realises how little he knows. Before the great mystery of human existence, the immensity of the universe, he remains profoundly humble. He seeks the truth, although he knows that final truth may be forever withheld from him.

COUNCIL JOTTINGS

Financially, Altona has just concluded a satisfactory year reports Cr. Les Crofts.

Figures for the Council year ending September 30 are near completion and the estimated surplus in the budget for the 1968-69 year will be attained.

The outcome is gratifying said Cr. Crofts, who added that he hopes to see the same result in the current term.

Nearing bushfire season again and with last year's disastrous fires still in mind, Altona Council is to seek information from local companies on what fire prevention is being undertaken.

The same question will be asked of neighbouring municipalities — Werribee, Sunshine and Williamstown.

★ ★

In the clean-up of old car bodies lying dumped around the municipality seventy were removed by Council employees from Ross Road near the briquette depot and from the vicinity of Altona Sports Park.

Those south of Queen Street and west of the Explosives Reserves are being removed by a contractor.

★ ★

Signs offering a reward of $10 for information leading to the conviction of car dumpers will be erected in Ross Road, Altona Sports Park and west of the Explosives Reserve.

★ ★

The new car park area in Sargood Street, opposite the RSL Hall, has been roughly levelled to permit cars to park on some of the land pending construction of the parking area.

★ ★

Following a request from Cr. Bill Sommers, the Council Parking Officer is to be instructed to police Borrack Square, the sixteen shops and the Circle. Cr. Sommers said it is common to see vehicles double parked and standing in "No Standing" areas.

★ ★

Four Altona residents are being invited to join the Altona Arts Advisory Council to broaden the scope of arts represented.

They are Mr. Allen Simpson, Station Street, Seaholme; Mrs. Margaret Saunders, Blyth Street, Altona; Mr. Kas Jurga, Cleghorn Avenue, Altona North; and Mr. Richard Ross, Upton Street, Altona.

★ ★

Brooklyn West Primary School junior councillors suggested at their meeting earlier this month that Council produce about two dozen small booklets outlining the history, aims, functions and procedure of Junior Council.

In reporting the idea to Council, Cr. Pat Lynch, said the idea was to give each school one or two of them to be made available for new teachers and also forms when they first become involved in this activity.

The suggestion has been referred to Committee.

★ ★

Altona Council is to draw the attention of the Minister of Education to the advantages of Altona as a site for a teachers' college.

Cr. Pat Lynch pointed out that whenever a teachers' college for the Western Suburbs is raised, Altona does not get mentioned. He suggested Council ask the Minister to consider Altona.

It will be pointed out that ample crown land is available.

★ ★

During the months of September, 138 complaints were received regarding the sanitary service. An amount of $197.50 is to be deducted from monies due to the Contractor.

Two months ago the number of complaints were brought to the attention of the Council's General Purposes Committee.

Again the matter is to be discussed at a committee meeting to be attended by the Senior Health Inspector, Mr. John Mellors.

★ ★

Meetings in December of the Altona Council will be held on the second Tuesday and fourth Monday — December 9 and 22.

TWO MOTIONS UNANIMOUS

Two motions placed by Altona Council on the agenda for the meeting of the Municipal Association were passed unanimously reported the Mayor, Cr. Pat Burns, at last week's meeting of Council.

One was that water and air pollution be placed by the Government under the one control. The Minister for Local Government also has stated he agrees on this point with Council and stated the Government is giving active consideration to this very question along the lines suggested by Altona.

The second item was that fun parlours be fully investigated. The Association had no hesitation in passing the suggestion and commended Altona for bringing it forward.

RELAY CHAMPIONSHIPS

Altona Centre has been selected as the venue for a competition between Altona, Keilor, Oak Park, Williamstown and Sunshine Centres to be conducted at Grant Reserve commencing 2 p.m. on Sunday, November 23, preparatory to the conduct of the Victorian L.A.A. relay championships.

Parents and officials are requested to be at Grant Reserve no later than 1.45 p.m. to facilitate a prompt commencement. A final training session for all Altona Centre relay competitors will be held at Grant Reserve on Wednesday at 5.15 p.m.

Many more parents are required at training sessions for the Altona Centre held on Thursday evenings at 5.15 p.m. under the direction of Mr. Mark Schnyder, Altona Centre coaching and education executive. All parents are requested to lend their support to Mr. Schnyder to ensure adequate coaching instruction may be given to each of the 200 athletes who present for training each Thursday.

Little Athletics Thank Council

Mr. G. Nevitt, chairman of the Altona Little Athletic Centre sent this letter to Altona Council:—

"It is with grateful thanks that the Altona Little Athletic Centre acknowledges the assistance that has been given to them by the City of Altona and its officers.

"When the idea of starting a centre in Altona was first considered, the first thought was, will the Council back us, we know now that you do and we are happy with your support which I hope will continue for years to come as this scheme continues to grow within the City.

"It is with some pride that I wish to inform you that Altona has been asked to conduct the regional heats of the Victorian Relay Championships. This event will take place on Sunday, November 23, starting at 2 p.m. and we would be pleased to welcome as many councillors and people of Altona who can attend. Centres from Williamstown, Sunshine, Oak Park and Keilor will be competing."

ANNUAL GYM. DISPLAY

The power strike forced the cancellation last Friday night of the annual display by the girls of the Altona Presbyterian Gymnasium.

But fortunately the group was given use of the Refinery Hall on the Saturday night.

Mr. Ridgway opened the display and 50 girls ranging in ages from four to 15 years showed their parents and friends what they had achieved through the year.

Mrs. Bette Schubach instructed the babies and sub-juniors, Mrs. Joan Craggs the juniors and intermediates, the pianiste was Mrs. Betty Dobbie.

Mrs. Glenys Schubach gave items of club swinging and plastics.

The climax of the night came when Mr. Ridgway announced the medal winners. The girls were judged during October by Mrs. J. Lloyd, who is secretary of the Victorian Calisthenics Association.

St. Mary's L.A. Club Meeting

A meeting will be held on Monday, November 24, at 2 Watson Crt., at 7.45 p.m.

All parents of club members are welcome to go along and discuss queries regarding any of the events.

More adults are needed to help on Saturday mornings and at training on Tuesdays at 4 p.m.

Congratulations to the following children picked in the squad for the Regional Championships to be held on Sunday next at 2 p.m.—

Frank Magnabosco, Gerald Warr, Glen Burnett, Jeff Bone, Paul Curran, Christine Broderick, Sue Hogbin, Debra Ridge and Sue Curran.

Summer Table Tennis

The summer pennant of the Western Suburbs Table Tennis Association at Garden St., Williamstown, shows every indication of being a good season.

With all 60 teams sizing up their opposing teams during the early matches, it is apparent that each player intends to do his or her best for their side.

Credit must go to one of the chief organisers, Ray Blythman, for his efforts in arranging a successful competition. Praise, too, for the work of committee and maintenance crew who have so improved the inside appearance of the centre.

Further improvements will be carried out but finance is needed for this. Each member can help by paying entry fees (if this has been overlooked) and by supporting all fund raising schemes, for instance the picnic on December 7. Why not come with your friends and have a good time as well as help raise fund for your association?

Ray Blythman and Max McGavin have been seen wearing smart new footwear. Perhaps they find their now twinkling toes helps improve their game.

This brings us to the point that dress and footwear are seriously important in competition table tennis. Shades of clothing should be dark with soft shoes.

Sandra and Ian Southall, the score recorders, are now happily installed in their new home in Altona. Although baby Narell keeps them busy they are still adding up the association's scores.

LEADING TEAMS AFTER SECOND ROUND
Friday Night Teams

Three teams are on top in A Grade—Footscray, Kingsville and Newport each have 14 rubbers and eight points.

Top team in B1 is Centre, 18-8, followed closely by Footscray, 14-8.

B2.—Ballarat Rd. Meths. are on top with 22-12, followed by Reckitt & Coleman, 22-8.

C2.—Goetz, 25-12, closely followed by Seaholme, 23-12.

C3.—Records not complete. Some teams liable to fines.

D3.—Reckitt & Coleman, 26-12; Explosives, 25-12.

D4.—F.E.W., 29-12; Reckitt & Coleman, 26-12.

D5.—Newport P.O. are well on top with 30-12. Sunshine second with 20-8.

E1.—St. Mary's D, 29-12; North Footscray Y.C., 25-12.

E2.—North Footscray Y.C. 26-12, Newport P.O. 2 15-8.

LADIES BOWLING

Ladies Club Pairs Championship games at Altona Bowling Club are almost completed to the semi-finals.

E. Beyer-P. Stephens v. Jan E. Beyer-P. Stevens v. Jan Douglas-B. Davis.

P. Gischus and G. Mackellar are awaiting the result of another game to learn their opponents.

Attendance at the Inter-Club Day last Thursday was disappointing. Only six teams entered.

Winners were Vera Bush, Stan Miller, George Bush, Ann McLean.

Runners-up: Vera Sevior, Glad Mackellar, Mary Dowdell, Coral Huggins.

Special effort was won by Edna Beyer.

Lorna Walsh and Queenie Cox were fortunate enough to obtain two seats in the bus chartered by Alice Farrant, secretary of the Williamstown Ladies Bowling Club, to attend the Second Test at Auburn Heights—Australia v. South Africa.

Both ladies were enthusiastic about their day. The singles, pairs and fours were all in progress at the same time.

A pleasant surprise for the ladies this week was the donation of a child's table and chairs setting from Len O'Donnell.

A thank-you to Len, whose thoughtfulness is much appreciated.

Sunday, November 16, eight rinks were filled at the South Melbourne Cricket Club Bowling Club. South Melbourne president said he hoped these annual visits between the two clubs would continue because of the pleasure derived by members.

Winning rink was Norm Packham (S.M.), Min Woodyard, Bon Deacon and Madge Winzer. Ladies were complimented for their bowling.

Flo McDonald was in the runners-up team.

REMINDERS

Thursday, November 20, is the day ladies are required to serve morning tea to 12 visiting metropolitan teams.

Rostered for duties at the men's pennant on Saturday, November 22: M. Andress, D. Hill, S. Thompson and C. Ford.

Sunday, November 23: Open Tournament—Mixed Fours—ALL DAY. Conducted by men.

Ladies pennant roster for Monday, November 24: I. Nickels, S. Thompson, and Q. Cox.

A bus will leave the clubhouse at 10 a.m. on Tuesday, November 25, to take Division B2 players to Preston.

Division A2 will play at Altona against Princes Park.

On Monday, December 1, a general meeting will be held at 1 p.m. Dot it down on the calendar ladies, as a quorum will be needed.

Consistency Championship games are listed on the notice board and the second round has to be completed by Wednesday, December 10.

CHESS CLUB INCREASES MEMBERSHIP

The chess club operating at the Altona East Branch Library has increased its membership to 42.

And what a mixed membership. Players country of origin includes Germany, Greece, Lithuania, Poland, Jugoslavia, Austria, Estonia, Italy, Czechoslavakia and one from Australia.

The group would like to see another club start in Altona to provide competition. At present all other clubs are on the other side of the city.

Results of the last series of games by members are:—

CRICKET

FIRST INNINGS LEAD TO ALTONA IN V.J.C.A.

Brunswick United played Altona at Royal Park, won the toss and batted first on a very good wicket.

After a steady opening the first wicket fell at 12 runs to a brilliant catch by John Cooney behind the stumps off the bowling of Terry Gray.

The next wicket to fall was a spectacular throw down of the bowlers wicket by Ron McCullagh from 25 yards out.

Wickets fell fairly quickly till United were 6/41, then Lane and Elleray of United started to get on top of the bowling.

At 61 Bob Harrison was brought into the attack and got a wicket off his first ball to a good catch by Jack Dellar. Not satisfied with one, catch, Dellar then pulled off one of the best catches of the year. This was too much for United. They were all out for 75, with Bob Harrison getting 3/5.

Altona are to be congratulated on their good team effort and brilliant fielding.

Altona started their innings drastically by losing Frank Thomas at three. John Cooney and Brian Garde then carried on the good work with the second wicket falling at 40 runs when Garde went leg before wicket.

Cooney was next to go after making a good 32. Jack Dellar and Alec Merrills then came together for a good partnership of 30 runs, Dellar being the first to go, leg before wicket.

Merrills batted well for his first game in A Grade and looks like he means to stay there.

At 6 p.m. Altona had passed Brunswick United and were 5/77. Altona will have to chase runs quickly next Saturday and go for an outright win against last year's runners-up.

DRAW FOR DARTS KNOCK-OUT CUP

The draw for the "Altona Star" Knock-out Cup for darts to be played on Thursday, November 27 ,is as follows—

Plough v. Prince of Wales.
Guiding Star v. Powell (1).
Powell (2) v. Gillibrand (2).
Cyanamid v. Central.
Charlie Sutton's (1) v. I.C.I.
A.W.M.C. (1) v. Mac's.
Gellibrand (1) v. Pioneer.
Railway (Foots.) v. Bristol.
A.W.M.C. (2) v. Charlie Sutton's (2).

First named teams are the home sides.

B GRADE IN TROUBLE

A good batting performance by young Gordon Wilson and 29 by Ray Ducket aided Altona to score 90 against South Yarra last Saturday.

Poor bowling and fielding allowed South Yarra to get *runs far too easily.*

ALTONA—1st innings:

Duckett c, b Garvin	29
Gray c, b Power	2
Hitchcock c, b Power	0
Hosken c, b Wilson	11
Joyce b Wilson	16
Wilson, not out	15

TOTAL 2 wickets for	42

BOWLING: D. Hitchcock 1-1, R. Gray 1-2, R. Conradi 0-17.

MICHAEL STARS FOR CLUB XI

With several new faces in the team the Club XI performed admirably against a top class side in Laverton.

Laverton were asked to bat *after losing the toss and* opened slowly against tight bowling from Blokkeerus and Healy who were backed up by some good fielding.

At tea with the score at 2/57, Laverton were struggling and endeavoured to apply pressure, but were unable to overcome Altona's enthusiasm.

Laverton were finally dismissed for 139 with bowling honours going to Noel Michael who took 7/36.

Other wickets were taken by Joe Mildenhall and Alan Willet. Good catches were held by Phil Reid, Wayne Groves and Frankie Howard —someone thought he had strangled the ball.

Altona at stumps are 1-2 *and will need to show application* and determination next Saturday to take the points in this game.

LAVERTON—1st innings:

Simpson c, b Michael	36
Gerrard c, b Michael	17
Kennedy b *Michael*	3
Sargeantson c, b Michael	9

BOWLING. N. Michael 7-35, Mindenhall 1-19, Willet 1-37, Reid 0-11, Healey 0-14, J. Blokkeerus 0-20.

ALTONA—1st innings:

J. Blokkeerus lbw, b Kennedy	1
A. Willet not out	1
W. Patton not out	0
TOTAL 1 wicket for	2

BOWLING: Kennedy 1-2.

C GRADE IN BAD DISPLAY

Altona C Grade journeyed to Albert Park Oval to do battle with Middle Park, but at tea time realised that their expected pleasant afternoon's outing was only a myth, as Middle Park had amassed 161 runs for the loss of only seven wickets.

Middle Park then declared their innings closed and Altona set out to chase 161 runs, but, due to bad strokes and good catching by the Middle Park fielders, Altona were soon dismissed for 23 runs and were asked to follow on.

At this stage of the game the only Altona players who had done anything of note were Maurice Critchley, who got five wickets for 38 runs from 13 overs, and young Paul Jenkins, who batted well to be six not out at the end of the innings.

In their second innings Altona showed a vast improvement; Joe Grassby and Bruce Grant settled down and both batted well in the poor light to take the score to 27 when Grassby was bowled by Egan. Grant then added nine more runs to be 21 not out at the close of play on the first day.

Poor fielding and loose bowling enabled Middle Park to score more runs than they should have, and C Grade will have to improve in these two areas if they are to have any success in the future.

MIDDLE PARK—1st innings:

M. Ryan b Critchley	21
R. Bowman stpd., b Chalmers	27
S. Burke b Critchley	33
T. Howell c, b Critchley	0
H. Purdie b Critchley	12
L. Demarchi c, b Critchley	30
D. Armstrong b Grant	12
N. Egan not out	15
T. Richards not out	5
Sundries	6
TOTAL 7 (dec.) for	161

BOWLING: M. Critchley 5-38, D. Chalmers 1-49, B. Grant 1-50, A. Cowie 0-18.

ALTONA—1st innings:

J. Grassby c, b Egan	5
B. Grant c, b Egan	2
M. Critchley lbw, b Fraser	3
D. Chalmers b Fraser	0
A. Baillie c, b Egan	0
T. Paone c, b Fraser	4
I. Cowie b Fraser	0
W. Bruce c, b Fraser	0
N. Henry c, b Fraser	0
P. Jenkins not out	6
D. Hills, b Fraser	1
Sundries	2
TOTAL	23

BOWLING: Fraser 7/9, Egan 3/12.

ALTONA—2nd innings:

J. Grassby b Howell	15
B. Grant not out	21
M. Critchley not out	0
TOTAL 1 wicket for	36

CLOSE GAME FOR CARBON BLACK

Australian Carbon Black, *through brittle batting*, were only able to score 94 runs against United Socials last Saturday.

This was mainly due to the efforts of G. Nash, R. Stevens and C. Fallon, who between them scored 80 runs against moderate bowling.

United Socials are 6/68 at stumps and A.C.B. will need an early break through next Saturday if they are to take the lead on the first innings.

A.C.B.—1st innings:

M. Strahan 0, K. Harris 0, G. Nash 39, G. Harrington 1, R. Stevens 21, J. Saunders 8, C. Holton 2, K. Cherry 0, C. Fallon 20, J. Mannagh 0, C. Dutton 3 n.o.—TOTAL 94.

UNITED S.—1st innings: 6/68.

BOWLING: G. Nash 2-9, C. Holton 2-13, R. Stevens 1-16, M. Strahan 1-28.

SWIMMERS SCOOP THE POOL AT STATE TITLES

Nine young girls from Altona and their synchronised swimming coach, Mrs. Friedl Spacek, won 10 gold, 4 silver and 5 bronze medals at the Victorian championships held all day Sunday at the Olympic Stadium.

Surprise of the day was the triple success of the *local girls, aged 12 to 14* years, competing in their first State titles.

They won three junior events for solo, duet and team and finished second in the open team event.

Swimmers from eight clubs *competed including juniors* with several years experience.

The Altona girls swim with the local club, the Altona "Pirouettes", coached by Mrs. Spacek.

Kerry Eustace, 14 years, *won the Junior Solo championship.*

With her partner Sue Antonoff, 12 years ,the pair carried of the duet title.

They teamed up with Judy Lockwood, 14 years, and Fiona Roberts, 13 years, to win the team event.

Third place in the team event was filled by the second "Pirouettes" team — *Teresa Klampfl*, 12 years, Barbara Lobel, 13 years, Shirley McCulloch, 13 years, Yvonne Millichip, 13 years and Cheryl Rivett, 13 years.

In the senior events Mrs. Spacek also had a successful day. **For the third successive year she won the Victorian Open Solo title.**

She also won the Duet title swimming with Miss Caroline Rogers.

And was a member of the group which won the Victorian team event—Misses Carolyn Abson, Caroline Rogers, Toni Saunders and Mrs. Spacek. As a team they swim for the Melbourne Synchronised Swimming.

Second to this team were the young "Pirouettes" who won the junior team championship.
